What is Homeopathy?

What is Homeopathy?

- Classical Approach for ASD
 - What is a constitutional remedy
- Isopathic Approach for ASD
 - What are nosodes/vaccine nosodes
- BOTH approaches can be helpful and necessary

A Heart Centered Approach to Case Taking

- HOW WE TAKE CASES
 - BREADTH : detail
 - DEPTH: going into emotion and sensation

"Love is not thinking, but being"
-Antoine de St-Exupery

- HOW TO UNDERSTAND ASD SYMPTOMS
 - From a deeper homeopathic perspective

CASE EXAMPLES – Finding the Constitutional Remedy for ASD

- FROM PREGNANCY SYMPTOM PICTURE
 - CASE example
- FROM CHILD'S UNIQUE BEHAVIORS
 - CASE example
- FROM CHILD'S SENSATION OF PAIN
 - CASE example

Combining Constitutional Remedies with Isopathic remedies for ASD

- Constitutional Remedies plus Vaccine nosodes
 - CASE example
- Constitutional Remedies plus Disease nosodes
 - CASE example
- Constitutional Remedies plus 'pharmaceutical drug nosode'/tautopathy
 - CASE example

WHAT IS TRUE HEALING

- *Hering's Law: cure proceeds from above downward, from within outward, from the most important organs to the least important organs, and in the reverse order of the appearance of symptoms.*

In other words – the deepest symptoms such as eye contact improve first. Rashes, fevers, 'detox poops' may be a part of the healing process.
